

Biography

Dr Jochen Eickholt is CEO of Siemens Mobility Division (effective 1 October 2014).

Eickholt started his professional career in 1989 at Fraunhofer Institute for Production Technology. In 1999 he joined Siemens, starting as CEO of Siemens Elektropřstroje s.r.o. in the Czech Republic. After several executive positions within the sales and supply chain management of the Siemens Communications Business and as Board Member of BenQ Mobile International, Eickholt was appointed CEO of the Siemens Home and Office Communications GmbH in 2006. From 2009 – 2012 he served as CEO of the Rail Automation, Mobility & Logistics Division, Infrastructure & Cities Sector.

Eickholt studied electrical engineering at the Rhine-Westphalia University of Technology in Aachen in Germany and at the Imperial College of Science, Technology and Medicine in London.
